

Always look on the bright side of life

intro - G Em Am D7,

Some things in life are bad they can really make you mad

Other things just make you swear and curse

When you've chewing an life's gristle, Don't grumble give a whistle

And this'll help things turn out for the best

chorus

And always look on the bright side of life

Always look on the light side of life

If life seems jolly rotten there's something you've forgotten

and that's to laugh and smile and dance and sing.

When you've feeling in the dumps don't be silly chumps

Just purse your lips and whistle - that's the thing

chorus

For life is quite absurd and death's the final word.

You must always face the curtain with a bow.

Forget about your sin - give the audience a grin

Enjoy it - it's your last chance anyhow.

chorus then change key if desired

Always look on the right side of life

Always look on the right side of life...
